VISIT WWW.THEFARMERSPLACE.COM.AU/SPRING-HOLIDAY-PROGRAM TO BOOK

Story Time

Come and join The Farmer's Place Story Time. We will read a story which focuses on an environmental theme. If it's a warm day, we'll be out in the garden on a picnic rug (we will have some rugs, but would love some more) or over on the decked area in the education section. We will finish off with an activity which relates to the book of the day - it could be some colouring in, a song, a dance, an activity or all of the above! While books will be suited to ages 2-5, all are welcome – children under the age of 5 must be supervised by an adult. Free

Animal Feeding

Learn about the animals we have on the farm and help feed them. We will visit all of the animals and get to meet them up close and personal. We will meet at the front of the education area...look for the sign! Suitable for all ages – children under the age of 7 must be supervised by an adult. \$10.00 per child

Spring Scavenger Hunt

Let's go on a nature hunt together.. all around the Farmers Place. We will finish by creating artwork from your special finds. Suitable for all ages – children under the age of 7 must be supervised by an adult. \$10.00 per child

Seedlings for Bees

Keep our buzzy bee friends happy, by planting your own bee attracting seeds, in a biodegradable pot to plant in your garden at home. Suitable for all ages – children under the age of 7 must be supervised by an adult. \$8.00 per child

DIY Bird Feeders

Make your own bird feeder from recycled materials to take home and attract new wild bird friends. Suitable for all ages – children under the age of 7 must be supervised by an adult. This activity involves the use of Peanut butter as a bird friendly sticking agent. \$8.00 per child
**Please note that this activity contains nuts

Most activities will be based outside – so check the weather beforehand. Please dress appropriately and wear closed toed shoes and warm, wet weather clothing such as raincoats and gumboots.

Minimum numbers apply for all activities and may be subject to cancellation.

- No refund for Animal Feeding
- No refund within 24hrs of the activity
- Refunds will be granted if event is cancelled on our behalf
